

Thomas' Travels

France, USA, Tanzania, & Guatemala

February, 2012

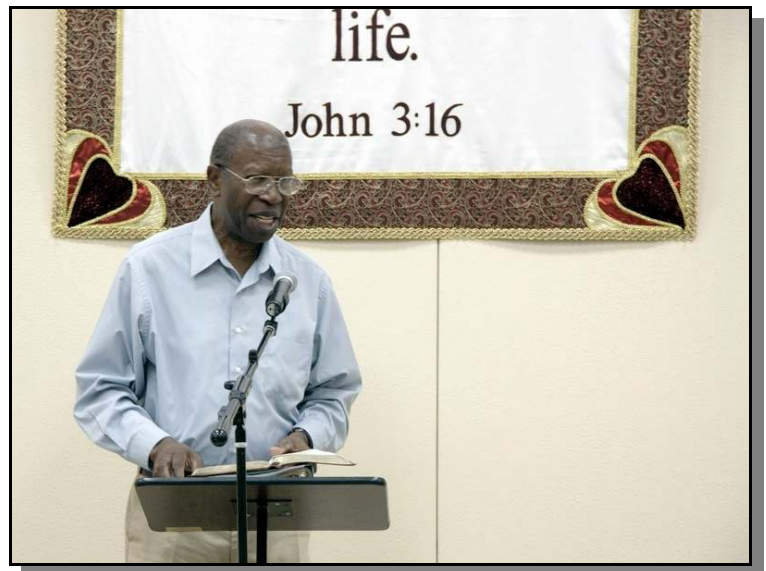

On The Home Front (France) — Over the past several weeks, my wife **Marion** and I have spent long hours at the computer. We have been translating into English a Gospel Vision instruction manual for pastors and church leaders in **Eastern Europe**. They will further translate it into their national languages. We have also proofread a 110 page book on Christian Leadership for my colleague in **Tanzania, Dr. Jotham Mwakimage**. He is hoping that the sales from the book will help him build a training school in **Tanga**. He already has the land, but he urgently needs to build on it. This behind-the-scenes work on our part will affect the lives of hundreds, even thousands of lives.

In partnership with others, it is still my aim to evangelise the multitudes and make disciples. *You can help me accomplish this.* I have updated my brochure, which I would like you to have.

You can make copies of it and pass them on to your friends. Please e-mail me — contact@bill-thomas.org — and I will send you a copy on PDF right away. Or you can download it from my web site, <http://www.bill-thomas.org/>.

The task of preaching the Word and making disciples is an increasingly urgent task. For example, a few weeks ago in the **Bronx (New York City)**, a pastor I know, **Dimas Salaberrios**, was arrested along with six others. The reason: protesting against a ruling that would keep them from using school buildings for services on the week-end.

At the time of this writing, the believers are protesting and fasting and praying. Imagine this, in the United States of America! Our freedoms are being swiftly eroded...

Arise Kilimanjaro -- February 12 I leave for **Kilimanjaro, Tanzania**. I will be joined by my colleague, **PJ Meduri**, to help prepare for our campaigns there in late May / early June. May the Lord grant us a foretaste of the campaigns.

PJ Meduri in Uganda

USA — March 10 to April 9, I plan to be in the States. Here is my schedule so far:

Chesterland, OH — March 10-15

Dallas, TX, and Guatemala — March 16-22

San Antonio, TX — March 23 - April 1

Pleasanton, CA — April 2-3

San Jose, CA — April 4-5

Los Angeles, CA — April 6-8

This trip will be a time of sharing the needs of this ministry. As the Spirit leads, we also want to minister to the sick and afflicted. This demands a lot of prayer and deep consecration. The work of God cannot be programmed.

The church in **Guatemala** where we will be is already experiencing a great movement of God, so we are expecting to see many blessings.

Thank you for caring and for sharing in our (yours and mine) ministry.
