

How You Can Be Involved

Your help is indispensable, for God works through His people. I need your prayers; I also need your faith pledge. If just 200 people would pledge \$25 per month, it would go a long way in helping me reach my aim of sharing the Gospel with at least 350,000 people each year. (All gifts are tax-deductible.)

The Challenge

Among the most ominous words that Jesus ever spoke were: *“When the Son of Man returns, will He find the faith on Earth?”*

“Because wickedness will multiply, most men’s love will grow cold.”

“Let the wheat and the tares grow together until the harvest.” (Notice that He did not say that they would grow at the same rate.)

In this 21st century, the truth of these words is as evident as ever. And to keep on keeping on demands complete commitment on the part of those who would be powerfully used of God. For in the midst of it all, Jesus also said, “This Gospel of the Kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.” God alone will determine when this will take place. Meanwhile, He challenges us to be obedient until He comes.

Bill Thomas ...

Having proclaimed the Gospel in over 50 countries on five continents, Bill has accepted the challenge. Born in Union, South Carolina, USA, in 1936, Bill surrendered to Christ at age ten, and passed through the waters of baptism one year later. During his teenage years in East Harlem NY, God laid it on Bill’s heart to preach the Gospel to the nations.

In addition to working with international evangelists, Bill pressed on to prepare himself academically, culminating in an earned Doctorate of Theology. Today he regularly evangelizes and preaches in English, French, and Spanish.

Bill was ordained (Baptist) to the ministry in 1962. He married his wife, Marion, in 1964. They have two children, and three grandchildren.

Bill’s ambition is to proclaim the Words of the Kingdom and to do the Works of the Kingdom, by the power of the Holy Spirit and for the glory of God.

The doors are open; invitations keep coming; the pastors and the people are waiting. Bill’s aim is to share the Good News of Jesus Christ with at least 350,000 people each year.

Being convinced that success without successors is a failure in the long run, Bill has made mentoring others a vital part of his ministry. He is a Partner Evangelist with the Next Generation Alliance (a ministry of the Luis Palau Evangelistic Association). His motto is: “Go where the need is the greatest and the call is the loudest,” joining with others who are getting on with the Great Commission task.
